From Synapse to Syntax: a Panel Discussion on Problem Solving

Moderator: Peter Eberhardt, Fernwood Consulting Group, Toronto, ON
Panel: Richard A. DeVenezia, Independent Consultant
Paul Dorfman, Paul Dorfman Consulting
Ian Whitlock, Kennett Square, PA

Abstract
This will be a panel discussion on approaches to problem solving. It will focus on identifying the essence of a problem and how to approach a solution. Although some SAS code will inevitably pop up, the discussion will be geared to the thinking before the typing starts.
